

April 10, 2008

Greetings Soccer Parents and Supporters!!

I wanted to take this opportunity to pass on some information concerning the summer schedule and the upcoming camp. The team camp at the University of Rio Grande will cost \$285 and I plan to take everyone that wants to go to this camp. It is as much a bonding experience for the team as it is a training program to make us better on the field. I strongly encourage everyone to attend the Rio Camp. The boys will not leave campus while we are there. Everything is all inclusive at this camp. Three meals will be provided every day that we are there. We need to supply our own bedding, toiletries, or any other items to get through the week. I also suggest that the boys bring extra socks, underwear, etc. because the camp runs two practice sessions daily and has games in the evening. They may also want to bring snack-type food and water/Gatorade. Most of the dorm rooms have a fridge in them. They can purchase these things at the campus book store. This will be a "team only" experience on campus, but you are more than welcome to come down in the evening for the games.

The payment schedule will be as follows:

1 st Payment of \$100	Wednesday, April 30
2 nd Payment of \$100	Thursday, May 29
3 rd Payment of \$85	Friday, June 20

Don't worry if you miss a date. As long as the total is paid by June 20.

*** Checks should be made out to: CIRCLEVILLE ATHLETIC BOOSTERS

I understand that the cost can be an issue to several families and I am taking steps to help those who need it. I am working closely with several area businesses to help offset the financial burden and certainly welcome anyone who would like to sponsor another child. We have had people in the past make donations of varying monetary amounts to help and we would gladly accept them regardless of the amount. If you have any questions, whether about needing assistance or making a donation, feel free to call me at home (477-6229) or email me at school (wastiers@circlevillemcityschools.org).

Sincerely,

Steve Wastier
